

Arna Selznick ~ Animation Director/Story Artist:

Arna Selznick is a story artist who brings a director's eye and an understanding of film pacing to her work. Arna creates character-driven stories full of expressive posing and comedic timing. She excels at staging for film and is comfortable working in diverse genres due to her wide-ranging experience in design and layout for animation. As a supervisor and director of animation, Arna is organized, familiar with production flow and a great 'team player.' She works in PHOTOSHOP, FLASH and SKETCHBOOK PRO as well as pencil and paper.
